

The Tudor 2024 Pre-season Sale

A word from our CEO

What better time than on the occasion of our 30th anniversary, to recognise the contribution of our incredible team in making Tudor Environmental such a great company.

We started back in 1994 working from a garden shed with little idea of what was to follow!

Fast forward 30 years and we have a great team going above and beyond to send out high-quality grounds maintenance products to our customers all around the UK.

**WE SHIP OVER 80% OF
ORDERS SAME DAY.**

**FROM 6,500 PRODUCT
LINES, WE HOLD 98% OF
NORMAL STOCK ITEMS.**

What has remained consistent is the “Exceed Customer Expectations” mind-set of our amazing team of 40 workers all willing to go the extra mile for our customers.

Congratulations to each and every one in Team Tudor!
Here’s to the next 30 years...
